## NCC Conversations: Watching standard definition in a world of fully immersive HD

As part of our Inclusion and Diversity programme here at NCC Group, we introduced our NCC Conversations series to help us to drive dialogue around a number of important topics that our colleagues care about.

In September, we turned the spotlight to dyslexia as part of our focus on neurodiversity where Sherief Hammad, writes about the struggles and coping mechanisms of those without dyslexia in this [fabulously witty blog](#).

Finding it difficult to read? Simply click the first dot in the left hand corner to pause the animation.

For more information on our steering committee members for each of our four Inclusion and Diversity topic areas, and statements that set out our objectives, dedication and commitments to each cause, please visit: <https://www.nccgroupplc.com/careers/inclusion-diversity/>
