## **CYBERUK is back!**

CYBERUK is back and we're excited to announce that we have been named as one of the lead sponsors!

The annual event, held by the National Cyber Security Centre (NCSC), brings together organisations from across the UK's cyber security industry to explore how we can collaborate and deliver a digital Britain that leads the world in cyber resilience.

This year, it will be hosted at the ICC Wales, Newport on the 19-20 May 2020 and will focus on how we can work together in the next decade to make the UK the safest place to live and work.

And if you're interested in attending, [registration goes live](#) in February.
