## **NCC Group's Fox-IT earns Frost & Sullivan Best Practices award**

NCC Group's Netherlands-based company Fox-IT has been awarded the 2019 European Product Line Strategy Leadership Award from Frost & Sullivan, in recognition of its industry-leading cyber threat management systems.

The prestigious award is presented to the company that has developed the most comprehensive and successful product lines within its market and has consistently gone above and beyond when it comes to the expectations of its customers.

Fox-IT, as part of NCC Group, provides clients with a broad range of managed

security solutions, as well as an educational outreach programme and end-to-end network protection using its SOC.

Robert Horton, Global Head of Assurance Delivery at NCC Group said: “This award is testament to the Fox-IT team’s commitment to bolstering cyber security awareness on a global scale, using industry-leading solutions.

“This award truly reflects the strength of our managed detection and response offering, and we couldn’t be prouder of the hard work that has gone into achieving this.”
